Hello Matt:

I have learned that the settlement agreement and REM's recommendation were passed along to the Rehabilitator prior to the filing of the Petition for Liquidation.

REM has not received any direction from the Rehabilitator concerning settlements that were "in progress" at the time of the filing of the Petition for Liquidation.

If and when more information is provided to me, I will pass it along to you.

Harry

Harry -

Have you spoken with Pam Tanis? It really is extremely important that we determine the status or whereabouts of the settlement agreement. Is it still at REM in New York? Did Pam Tanis send it up to the NH Insurance Commissioner before the Verified petition for Liquidation went in on May 8?

Any information you can provide would be very, very helpful.

Thanks.
