Re: In the Matter of the Liquidation of The Home
Merrimack County Superior Court (MCSC)
Docket No. 03-E-0106

Dear Mr. Snow:

I refer to your letter of yesterday and I understand your recent correspondence to be a departure from the ACE Companies' First Request for Production of Documents limiting it to (i) the time frame of the negotiations of the Proposed Agreement, (ii) the Proposed Agreement itself, and (iii) documents that were relevant for my affidavit. From Zürich's view, the actual negotiation period started September 4, 2003 and ended March 26, 2004. All documents relating to the ACE Companies' first production request altered as described above have been produced to you already, unless they were privileged. A privilege log for that period will follow shortly.

Very truly yours,
