**MERRIMACK, SS.**

**SUPERIOR COURT**

**Docket No. 217-2003-EQ-00106**

**In the Matter of the Liquidation of  
The Home Insurance Company**

**AFFIDAVIT OF PETER A. BENGELSDORF, SPECIAL DEPUTY LIQUIDATOR,  
IN SUPPORT OF APPROVAL OF 2016 COMPENSATION PLANS**

I, Peter A. Bengelsdorf, hereby depose and say:

1. I was appointed Special Deputy Liquidator of The Home Insurance Company (“Home”), by the Commissioner of Insurance for the State of New Hampshire, as Liquidator (“Liquidator”) of the Companies. I submit this affidavit in support of the Liquidator’s Motion for Approval of 2016 Compensation Plans (“Motion”). The facts and information set forth below are either within my own knowledge gained through my involvement with this matter, in which case I confirm that they are true, or are based on information provided to me by others, in which case they are true to the best of my knowledge, information and belief.

2. The Motion requests approval of compensation plans for the key employees of Home in 2016 (the “2016 Employee Compensation Plan”). The Motion reflects the advice of Ernst & Young LLP (“E & Y”), experienced insurance industry compensation consultants, concerning the appropriate compensation structure for employees of Home.

3. Maximizing the prompt collection of assets advantages Home’s creditors and is one of the principal statutory goals of the liquidation. The success of liquidation staff in that regard is illustrated by the increase in Home’s liquid assets from the day the Order of Rehabilitation was entered, approximately \$12.7 million as of March 2003, to an estimated \$1.7 billion as of September 30, 2015. (The September 30, 2015 figure gives credit for \$298 million

distributed to Home's policy-level creditors pursuant to the First Interim Distribution, \$247 million of early access distributions to guaranty associations -- of which \$47 million are no longer subject to "clawback" -- plus \$71 million of Class I distributions to guaranty associations for their administration expenses.) Most of this increase is attributable to a combination of reinsurance recoveries and other financial settlements negotiated by Home's experienced staff.

4. Prior to liquidation, Risk Enterprise Management ("REM") effectively managed Home. Shortly after the liquidation proceeding began in June 2003, the Liquidator determined that the most efficient way to organize the liquidation process was to hire critical REM employees as liquidation staff. This permitted the Liquidator to benefit from the continued involvement of experienced employees having prior involvement with the Home runoff. The Liquidator initially hired 98 employees (93 from REM and 5 others) to handle the liquidation of Home. The liquidation is presently staffed by 46 (full and part time) employees and 6 consultants located in New York City and 5 employees located in Manchester, New Hampshire.

5. As set forth in the Liquidator's Motion for Approval of Compensation Plans dated April 5, 2004, the Liquidator engaged nationally recognized compensation consultants (E & Y) to assist in the design of the compensation plans. The consultants had experience in the design of such plans for large insurers, like Home, in liquidation. They recommended that total direct compensation (base salary and incentive bonuses) range between the 50<sup>th</sup> and 75<sup>th</sup> percentile among comparable companies. The Liquidator has continued to consult with E & Y each year, as reflected in the annual compensation motions, regarding the continuing suitability of employee compensation.

6. To retain and compensate the necessary staff for Home, the Liquidator accordingly developed and requested approval for base compensation as well as three integrated

incentive plans for 2004: a Retention Incentive Plan for non-exempt full time employees, an Annual Incentive Plan for exempt full time employees including executives, and a Collection Incentive Plan for executives. The Court approved the compensation plans for 2004 by order issued April 21, 2004 and the similar 2005 compensation plans by order dated March 4, 2005.

7. In 2006, after consulting with E & Y, the Liquidator proposed to eliminate the Retention Incentive Plan and continue the Annual Plan and Collection Incentive Plan on essentially the same terms as in 2005. The Court approved this proposal (and the 2006 compensation plans) by order dated February 8, 2006.

8. A version of the Annual Plan has been approved each year of the liquidation though, over time, the number of employees eligible to participate has been reduced from 78 (in 2004) to 8 (in 2015). This plan is designed to provide additional cash compensation based on the overall performance of Home's liquidation and the individual employee during the annual plan cycle. With each reduction in the number of participants, a portion of the amounts otherwise payable as incentive payments was used to increase base salaries with the remainder applied toward the annual 401(k) safe harbor contribution. These changes (which were not intended to decrease total expenses) were based on the conclusion that, in the prevailing circumstances, the nature of these positions was such that the affected employees had less ability to directly affect operating results. Compensation based solely on annual salary was therefore deemed most appropriate for those employees.

9. The Collection Incentive Plan was designed to provide focused incentives for the collection of assets, determination of claims and management of the liquidation in an efficient manner. Awards under this plan were based on the accomplishment of annual corporate targets but also varied, at the discretion of the Liquidator, based on achievement of individual

performance goals. The objective of the Collection Incentive Plan, through deferred compensation, was to retain senior and experienced executives as long as deemed necessary by the Liquidator. For the reasons described below, the Liquidator does not propose to continue the Collection Incentive Plan in 2016.

10. As described in the Liquidator’s previous reports, pursuant to Internal Revenue Service rules Home adopted a safe harbor 401(k) plan effective January 1, 2005, so that all employees who wished to do so were able to contribute the maximum amount. Employers with such plans must make an annual contribution to employees’ 401(k) accounts. For 2015, as in prior years, Home contributed an amount equal to 4% of the employee’s earnings up to the individual employee earnings cap set by the IRS.

11. The Liquidator seeks to continue to provide compensation consistent with best practices respecting compensation in insurance company liquidations. Accordingly, the Liquidator proposes to continue the Annual Plan in 2016 at a total anticipated cost of \$912,950.<sup>1</sup> Seven employees will be eligible for the Annual Plan in 2016, one fewer than in 2015. The Liquidator proposes to continue the 401(k) safe harbor plan with a contribution rate equal to the 4% rate used in prior years and approved by the Court most recently on January 6, 2015. The Liquidator has concluded, however, that the need for an incentive program focusing on the collection of assets and determination of claims is diminished considering that a substantial portion of anticipated reinsurance collections have been collected while 17,271 proofs of claim

<sup>1</sup> This \$912,950 figure may be compared with payments for prior years:

**Annual Plan Payments (millions)**

(out of 20,709) have been resolved. Accordingly, the Liquidator does not propose to continue the Collection Incentive Plan in 2016.<sup>2</sup>

12. Based upon their experience, E & Y notes that insurance companies in liquidation typically target base salaries at median (50<sup>th</sup> percentile) market level and total cash compensation (base salary plus bonuses) at or above median market levels of “healthy” companies in their industry segment. To evaluate the 2016 Employee Compensation Plan, E & Y has compared the proposed total cash compensation for liquidation staff in comparison with the competitive market in each region (New York and Manchester) where the relevant individual is based. As a result of this study, E & Y concludes that the proposed 2016 Employee Compensation Plan is appropriate and consistent with general market practices for insurance companies in liquidation and that overall levels of pay represent market competitive compensation levels.

13. The Liquidator believes that without the adoption of these plans the liquidation effort would be harmed because key employees would seek better, more long-term career opportunities elsewhere.

<sup>2</sup> The elimination of the Collection Incentive Plan therefore represents a reduction in total liquidation expenses. By way of example, the Collection Incentive Plan will cost approximately \$317,190 in 2015.
