**MERRIMACK, SS.**

**SUPERIOR COURT**

**Docket No. 217-2003-EQ-00106**

**In the Matter of the Liquidation of  
The Home Insurance Company**

**LIQUIDATOR'S MOTION FOR APPROVAL OF  
SETTLEMENT AGREEMENT WITH MINE SAFETY APPLIANCES**

John R. Elias, Insurance Commissioner of the State of New Hampshire, as Liquidator ("Liquidator") of The Home Insurance Company ("Home"), moves that the Court enter an order in the form submitted herewith approving a Settlement Agreement and Mutual Release ("Settlement Agreement") between Mine Safety Appliances Company, LLC, its predecessors, successors, holding companies, parent companies, and any and all subsidiaries, affiliates, or operating groups, previously existing or now existing ("MSA" or "Claimant"), and the Liquidator. As reasons therefor, the Liquidator states as follows:

1. The Settlement Agreement was negotiated under the supervision of the Special Deputy Liquidator. A copy of the Settlement Agreement is attached hereto as Exhibit A. Affidavit of Peter A. Bengelsdorf, Special Deputy Liquidator, in Support of Motion for Approval of Settlement Agreement with Mine Safety Appliances. ("Bengelsdorf Aff.") ¶ 2.

2. Home issued eight insurance policies under which MSA is the named insured for various policy periods between April 1, 1971 and April 1, 1979 (the "Lower-Layer Policies"), which together with all other insurance policies Home may have issued to MSA, including four upper-layer policies (the "Upper-Layer Policies"), are referred to collectively as the "Policies". Settlement Agreement, second Whereas clause. MSA submitted claims for coverage of various underlying claims in the Home liquidation (the "Initial Proof of Claim") which, together with all

other proofs of claim hereinbefore or hereinafter filed by MSA in the Home liquidation, except for a proof of claim regarding the Upper-Layer Policies (the “Deferred Proof of Claim”), are referred to collectively as the “Proofs of Claim”. Id., third Whereas clause. Bengelsdorf Aff. ¶ 3.

3. The Liquidator and the Claimant have negotiated the Settlement Agreement reflecting a resolution of all matters concerning the Proofs of Claim and their rights and obligations with respect to the Policies, except for the Deferred Proof of Claim and the Upper-Layer Policies. The Settlement Agreement is subject to approval by the Court. Settlement Agreement ¶ 1. Bengelsdorf Aff. ¶ 4.

4. The Settlement Agreement provides that the Liquidator will recommend allowance of the Initial Proof of Claim in the aggregate amount of \$32,762,828 (“Recommended Amount”) as a Class II priority claim under RSA 402-C:44. Settlement Agreement ¶ 2(A). Allowance of the Recommended Amount as a Class II claim will fully and finally resolve the Initial Proof of Claim and all claims the Claimant has under the Lower-Layer Policies. Id. ¶ 2(B). Distributions based on that allowance will be made at the same intervals and at the same percentages as distributions to other Class II creditors of Home, except that the initial distribution of 15% will be withheld as the Proofs of Claim were an unexcused late-filed claim pursuant to RSA 402-C:37, III. Id. ¶ 2(C). Bengelsdorf Aff. ¶ 5.

5. The Settlement Agreement is intended to resolve the Initial Proof of Claim and all claims that the Claimant has under the Lower-Layer Policies. See Settlement Agreement ¶ 2(B). To that end, the Settlement Agreement provides for mutual releases of all claims among the Liquidator, Home, and the Claimant arising from or related to the Initial Proof of Claim or the Lower-Layer Policies, but not the Deferred Proof of Claim or the Upper-Layer Policies. Id. ¶¶ 3, 4. Bengelsdorf Aff. ¶ 6.

6. In resolving all of the Claimant's claims relating to the Initial Proof of Claim and the Lower-Layer Policies, the Settlement Agreement is intended to resolve all matters arising out of or relating to any rights the Claimant ever had, now has, or hereafter may have in those policies and that proof of claim, including any asserted rights of third-party claimants against the Claimant under the Lower-Layer Policies. Settlement Agreement ¶ 5. The Claimant agrees to address, at its sole cost, any such claims of third-party claimants against the Claimant as if there had been no liquidation proceeding for Home and as if the Claimant had no insurance coverage from Home by virtue of the Policies. *Id.* The Claimant also agrees to indemnify and hold the Liquidator and Home harmless from all claims arising from or relating to the Initial Proof of Claim or the Lower-Layer Policies, including asserted rights of third party claimants, up to the amount ultimately distributed or distributable in relation to the Recommended Amount. *Id.* Bengelsdorf Aff. ¶ 7.

7. The Liquidator is not aware of any third party claimants asserting claims under the Lower-Layer Policies. Bengelsdorf Aff. ¶ 8. However, the denial of any third party claimants' claims without prejudice to their claims against the Claimant will not harm the third party claimants who will continue to have their claims against the Claimant. As noted above, the Claimant has agreed to address these claims as if it had no insurance coverage from Home under the Policies. Settlement Agreement ¶ 5. Third party claimants' proofs of claim against the insolvent Home, if not denied with the agreement, would release the Claimant from those claims up to the limits of the Lower-Layer Policies but only entitle the third party claimants (assuming their claims were allowed) to the initial interim distributions and any later distribution at a presently undetermined distribution percentage from Home at the future date when distribution is made. See RSA 402-C:40, I; Gonya v. Commissioner, New Hampshire Insurance Dept., 153 N.H. 521, 535 (2006) (noting the "inherent uncertainty of any creditor's recovery in a

liquidation”). It is not expected that the allowed claims of any third party claimants (or other Class II creditors) of Home will be paid in full. Under the Settlement Agreement, the Claimant will continue to be responsible for any third party claimants’ claims against it. See Settlement Agreement ¶ 5. Bengelsdorf Aff. ¶ 8.

8. The Liquidator is not aware of any pending proofs of claim asserting a claim subject to the same limit in the Home policies as the Initial Proof of Claim resolved by the Settlement Agreement, with the exception of a contribution claim. Bengelsdorf Aff. ¶ 9. However, if a claim of another claimant is subject to the same limit of liability as the claims resolved by the Settlement Agreement, and if the total allowed amounts for all claimants exceed the limit, then the allowed amounts for all claimants will be subject to adjustment under RSA 402-C:40, IV, so that the policy limit will not be exceeded. See Settlement Agreement ¶ 6. Bengelsdorf Aff. ¶ 9.

9. The Settlement Agreement reflects a compromise of the claims asserted in the Initial Proof of Claim. It is the result of negotiations involving the Claims Department, under the supervision of the Special Deputy Liquidator, which has extensive experience in assessing the exposure presented by claims under Home’s insurance policies. The agreed settlement amount is based on careful evaluation and negotiation of coverage obligations under the Lower-Layer Policies respecting the underlying liabilities of the Claimant. The Liquidator accordingly recommends approval of the Settlement Agreement and allowance of the \$32,762,828 settlement amount as an unexcused late-filed Class II claim of the Claimant in accordance with RSA 402-C:45, RSA 402-C:44, and RSA 402-C:37. Bengelsdorf Aff. ¶ 10.

10. The Court has previously approved many similar settlement agreements. See, e.g., Order Approving Settlement Agreement with Safety-Kleen Systems, Inc. (August 1, 2017); Order Approving Settlement Agreement with Graham Corporation (July 8, 2016); Order

Approving Settlement Agreement with Washington Gas (July 15, 2013); Order Approving Settlement Agreement with Wisconsin Energy (March 18, 2010); Order Approving Commutation Agreement with Northwestern National Insurance Company and Settlement Agreement and Assignment of Distribution with AK Steel Corporation (March 10, 2006). The Liquidator's negotiation and the Court's approval of such agreements are authorized by the broad authority of the Liquidator to "compound, compromise or in any other manner negotiate the amount for which claims will be recommended to the court," RSA 402-C:45, I, and the authority of the Court to "approve, disapprove or modify any report on claims by the liquidator." RSA 402-C:45, II. It is also an appropriate exercise of the Liquidator's authority ("[s]ubject to the court's control") to "do such other acts . . . as are necessary or expedient for the accomplishment of or in aid of the purpose of liquidation." RSA 402-C:25, XXII.

11. In his Motion for Approval of Commutation with Northwestern National Insurance Company and Settlement Agreement and Assignment of Distribution with AK Steel Corporation ¶¶ 19-23 (February 16, 2006), the Liquidator provided his analysis of New Hampshire law, including RSA 402-C:40, III, as it applies to this type of comprehensive policy coverage compromise and settlement in an insurer liquidation context. That analysis also applies to the proposed Settlement Agreement with the Claimant.

12. The Liquidator submits that the Settlement Agreement is fair and reasonable and in the best interests of the policyholders and creditors of Home. See Bengelsdorf Aff. ¶ 11.

WHEREFORE, the Liquidator respectfully requests that this Court:

- A. Grant this Motion;
- B. Enter an Order in the form submitted herewith approving the Settlement Agreement, approving the Liquidator's claim recommendation, and allowing the MSA claim as an unexcused late-filed Class II claim in accordance with RSA 402-C:45, RSA 402-C:44 and RSA 402-C:37 in the aggregate amount of \$32,762,828; and
- C. Grant such other and further relief as justice may require.

Respectfully submitted,

**SETTLEMENT AGREEMENT AND MUTUAL RELEASE**

This Settlement Agreement and Mutual Release ("Settlement Agreement") is made as of this 8<sup>th</sup> day of November, 2018, by and between Mine Safety Appliances Company, LLC, its predecessors, successors, holding companies, parent companies, and any and all subsidiaries, affiliates, or operating groups, previously existing or now existing ("MSA" or "Claimant"), on the one hand, and John Elias, Insurance Commissioner of the State of New Hampshire, solely in his capacity as Liquidator ("Liquidator") of The Home Insurance Company ("Home"), on the other hand (Claimant and the Liquidator are hereinafter referred to collectively as the "Parties").

**WHEREAS**, Home is being liquidated pursuant to the June 13, 2003 Order of the Superior Court of the State of New Hampshire, Merrimack County (the "Liquidation Court"), pursuant to which the Liquidator was appointed as the Liquidator of Home;

**WHEREAS**, Home issued the following insurance policies under which MSA is the named insured:

<u>Policy Number</u>	<u>Policy Period</u>
HEC9793881	4/1/71-4/1/72
HEC4344944	4/1/72-4/1/73
HEC4429619	4/1/73-4/1/74
HEC4764815	4/1/74-4/1/75
HEC4973844	4/1/75-4/1/76
HEC9345923	4/1/76-4/1/77
HEC9534069	4/1/77-4/1/78
HEC9631696	4/1/78-4/1/79

(collectively, the "Lower-Layer Policies"), which together with all other insurance policies Home may have issued to MSA, including HEC4356538, HEC9007163, HEC9531071, HEC9531070 and HEC9631695, (hereinafter referred to as "Upper-Layer Policies"), are defined collectively as the "Policies";

**WHEREAS**, MSA has submitted claims in The Home Liquidation seeking coverage for

various claims, including but not limited to claims asserting asbestos, silica, and coal-mine dust liability. The claim has been assigned proof of claim number INSU275533 (hereinafter "Initial Proof of Claim") which together with all other proofs of claim, hereinbefore or hereinafter filed by MSA in the Home liquidation, with the exception of INSU715171, which has been established as a claim with respect to the Upper-Layer Policies (hereinafter referred to as the "Deferred Proof of Claim"), are defined collectively as "Proofs of Claim";

**WHEREAS**, the Parties are desirous of resolving all claims that were asserted, or could have been or could be asserted and resolving all matters concerning the Proofs of Claim and their rights and obligations with respect to the Policies;

**WHEREAS**, the Parties agree to defer determination of the Deferred Proof of Claim and obligations with respect to the Upper-Layer Policies; and

**WHEREAS**, the Parties agree that this Settlement Agreement is subject to and conditioned upon its approval by the Liquidation Court and allowance of the Recommended Amount (as defined below) into the Home liquidation and in the event that the Liquidation Court does not approve the Settlement Agreement and allow the Recommended Amount, this Settlement Agreement shall be null and void and without any force or effect;

**NOW, THEREFORE**, in consideration of all the respective transactions contemplated by this Settlement Agreement, and the mutual covenants and representations herein contained, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby agree as follows:

1. **Effectiveness**. This Settlement Agreement is conditioned and shall only become effective (the "Effective Date") upon approval by the Liquidation Court. The Liquidator shall move for approval of this Settlement Agreement promptly following execution by all Parties.

2. Recommendation, Allowance, and Classification of Claims.

A. Subject to all the terms of this Settlement Agreement, and with the agreement of Claimant, which by Claimant's execution hereof is hereby granted, the Liquidator shall recommend pursuant to N.H. RSA 402-C:45 that the Initial Proof of Claim be allowed in the amount of \$32,762,828 (the "Recommended Amount") as a Class II priority claim under N.H. RSA 402-C:44. The Liquidator shall seek allowance of the Recommended Amount as a Class II priority claim by the Liquidation Court in the Liquidator's motion for approval of this Settlement Agreement.

B. Allowance of the Recommended Amount as a Class II claim by the Liquidation Court shall fully and finally resolve the Initial Proof of Claim (but not the Deferred Proof of Claim) and any and all claims of whatever nature that Claimant has under the Lower-Layer Policies. In the event that the Liquidation Court does not allow the Recommended Amount as a Class II claim, this Settlement Agreement shall be null and void and shall have no force and effect and the Parties will be returned to *status quo ante*, as if no such agreement was ever reached, with this Settlement Agreement thereafter being inadmissible for any purpose in any dispute between the Parties.

C. If and when the Liquidation Court allows the Recommended Amount as a Class II claim, Claimant will become a Class II creditor in the Home liquidation pursuant to N.H. RSA 402-C:44, and Claimant shall, subject to this Settlement Agreement, receive distributions on the allowed amount at the same intervals and at the same percentages as other Class II creditors of Home, with the exception of the initial distribution of fifteen (15) percent which will be withheld by the Liquidator as the Proof of Claim was an unexcused late filed claim pursuant to N.H. RSA 402-C:37, III. All distributions to

Claimant shall be made payable to Mine Safety Appliances Company LLC and shall be sent to Claimant at the following address:

Douglas M. McClaine  
Mine Safety Appliances Company LLC  
1000 Cranberry Woods Drive  
Cranberry Township, PA 16066  
email: [douglas.mcclaine@msasafety.com](mailto:douglas.mcclaine@msasafety.com)

Claimant agrees that it will promptly notify the Liquidator of any change of address or addressee.

3. Release by Claimant. Subject to the terms of this Settlement Agreement and the Liquidation Court's approval of the Recommended Amount as a Class II claim, Claimant for itself and on behalf of each of its officers, directors, employees, agents, attorneys, subsidiaries, affiliates, predecessors, and their successors and assigns, irrevocably and unconditionally releases and discharges the Liquidator and Home and each of their respective officers, directors, employees, agents, attorneys, subsidiaries, affiliates, predecessors, successors, and assigns (including any trustee or other statutory successor), from any and all actions, causes of action, liabilities, adjustments, obligations, offsets, suits, debts, dues, sums of money, accounts, reckonings, bonds, bills, premiums, losses, salvage, specialties, covenants, contracts, controversies, agreements, promises, variances, trespasses, damages, judgments, extents, executions, claims, and/or demands, arising from or related to the Initial Proof of Claim or the Lower-Layer Policies, but not the Deferred Proof of Claim or the Upper-Layer Policies, in law, admiralty, or equity, which Claimant, its subsidiaries, affiliates, predecessors, successors, and assigns, ever had, now has, or hereafter may have against the Liquidator or Home or their respective officers, directors, employees, agents, attorneys, subsidiaries, affiliates, predecessors, successors, and assigns, all whether known or unknown, suspected or unsuspected, fixed or

contingent, in law, admiralty or equity, arising from or related to the Initial Proof of Claim or the Lower-Layer Policies, but not the Deferred Proof of Claim or the Upper-Layer Policies.

4. Release by Liquidator. Subject to the terms of this Settlement Agreement and the Liquidation Court's approval of the Recommended Amount as a Class II claim, the Liquidator, in his capacity as such, and on behalf of Home and each of its officers, directors, employees, agents, attorneys, subsidiaries, affiliates, predecessors, and their successors and assigns, irrevocably and unconditionally releases and discharges Claimant and each of its officers, directors, employees, agents, attorneys, subsidiaries, affiliates, predecessors, successors, and assigns, from any and all actions, causes of action, liabilities, adjustments, obligations, offsets, suits, debts, dues, sums of money, accounts, reckonings, bonds, bills, premiums, losses, salvage, specialties, covenants, contracts, controversies, agreements, promises, variances, trespasses, damages, judgments, extents, executions, claims, and/or demands, arising from or related to the Initial Proof of Claim or the Lower-Layer Policies, but not the Deferred Proof of Claim or the Upper-Layer Policies, in law, admiralty, or equity, which the Liquidator, Home, or their subsidiaries, affiliates, predecessors, successors, and assigns, ever had, now have, or hereafter may have against Claimant or its officers, directors, employees, agents, attorneys, subsidiaries, affiliates, predecessors, successors, and assigns, all whether known or unknown, suspected or unsuspected, fixed or contingent, in law, admiralty or equity, arising from or related to the Initial Proof of Claim or the Lower-Layer Policies, but not the Deferred Proof of Claim or the Upper-Layer Policies.

5. Resolution of Matters and Indemnification. Claimant acknowledges that this Settlement Agreement is intended to resolve all matters arising out of or relating to any rights Claimant ever had, now has or hereafter may have in the Lower-Layer Policies and the Initial

Proof of Claim, including any asserted rights of third-party claimants against Claimant under the Lower-Layer Policies, and Claimant agrees to address, at its sole cost and expense, any such claims of third-party claimants against Claimant as if there had been no liquidation proceeding for Home and as if Claimant had no insurance coverage from Home by virtue of the Lower-Layer Policies. In consideration of the Recommended Amount being allowed by the Liquidation Court as a Class II claim, Claimant agrees to indemnify and hold the Liquidator and Home harmless from and against any and all claims, losses, liabilities, debts, damages, costs or expenses arising from or related to the Initial Proof of Claim or the Lower-Layer Policies and such indemnification shall be capped at the total amount ultimately distributed or distributable in relation to the Recommended Amount as allowed by the Liquidation Court. The future obligations of Claimant under this paragraph shall extend to and include (by way of example and not limitation) any claims for defense or indemnity for claims made under the Lower-Layer Policies against the Liquidator or Home by vendors, or by other insurers of Claimant, or by any individuals or entities asserting "direct action" claims arising out of or related to the Lower-Layer Policies. The Liquidator shall promptly notify Claimant of any such claim, and shall afford Claimant the opportunity to reasonably participate in the defense of such claims. The Liquidator shall assert all defenses to such claims reasonably available to the Liquidator, including defenses under the Order of Liquidation or the New Hampshire Insurers Rehabilitation and Liquidation Act. Claimant shall cooperate with the Liquidator (including but not limited to the provision of affidavits or testimony) to defend against and resolve such claims. The Liquidator represents and warrants that he is presently unaware of any claims that would trigger any indemnification obligation of Claimant pursuant to this Settlement Agreement.

6. Multiple Claims. The Lower-Layer Policies against which this claim is made contain certain limits. New Hampshire RSA 402-C:40 (IV) provides that in the event multiple claims against such a policy are filed, and the aggregate allowed amount of all claims to which the same limit of liability in the policy is applicable exceeds that limit, then each claim as allowed shall be reduced in the same proportion so that the total equals the policy limit. The Liquidator is unaware of any claim in the Home Liquidation asserting a claim subject to the same limit in the Home policies as this claim, with the exception of a single contribution claim filed on behalf of Travelers Indemnity Company, which has been determined and the Liquidation Court has approved as a Class V Priority claim in the liquidation. If an allowance is made such that the aggregate allowed amount of all claims subject to the same limit exceeds the limit, each claim will be prorated so that the total equals the policy limit, to the extent required by RSA 402-C:20 (IV). The Liquidator will be unable to determine whether, or the extent to which, Claimant's claim may be subject to proration until all claims against the policy have been determined. If the aggregate allowed amount of claims exceeds the applicable limit such that Claimant's claim is subject to proration, the Liquidator will inform Claimant accordingly.

7. Mutual Release of Settling Carriers. Claimant agrees to use reasonable commercial efforts to cause any settlement agreement relating to the underlying matters covered by the Initial Proof of Claim with any other insurance company to include a waiver by that other insurance company of any claim, including contribution, apportionment, indemnification, subrogation, equitable subrogation, allocation, or recoupment, against Home regarding the underlying matters covered by the Initial Proof of Claim. The Liquidator agrees to waive, relinquish and release any claim, including contribution, apportionment, indemnification, subrogation, equitable subrogation, allocation, or recoupment, as to the underlying matters

covered by the Initial Proof of Claim against any other insurance company which executes a settlement with Claimant that includes a provision that is materially the same as this paragraph.

8. No Assignments. Claimant warrants and represents that it has not assigned, conveyed, or otherwise transferred any claims, demands, causes of action, rights, or obligations related in any way to the Policies, or any proceeds thereof, or the Proofs of Claim, or the claims, losses and expenses released herein, to any person or entity. Claimant shall not assign or otherwise transfer this Settlement Agreement or any rights or obligations thereunder without the written consent of the Liquidator, which consent shall not be unreasonably withheld.

9. Further Assurances. The Parties shall take all further actions as may be necessary to carry out the intent and purpose of this Settlement Agreement and to consummate the transactions contemplated herein. Claimant acknowledges it is aware of the requirements of the Medicare Secondary Payer Act and the Medicare, Medicaid and SCHIP Extension Act of 2007, including provisions concerning Medicare set-asides and/or notification to the Centers for Medicare and Medicaid Services ("CMS") regarding certain Medicare-eligible, or potentially eligible, claimants who enter into settlement agreements that may justify recovery for Medicare covered case-related services. Claimant acknowledges that it may be obligated, and otherwise agrees, to provide data, if and when required or requested, for CMS regarding claimants who will share in distributions from Claimant's assets that include a portion of the Recommended Amount.

10. Governing Law and Venue. This Settlement Agreement shall be governed by and construed in accordance with the laws of the State of New Hampshire without regard to the conflicts of law provisions thereof. The Parties agree that the exclusive venue for any dispute between the Parties arising out of the Proofs of Claim, the Policies or this Settlement Agreement shall be the Liquidation Court.

11. Due Diligence. The Parties acknowledge and agree that, in negotiating and executing this Settlement Agreement, they have relied upon their own judgment and upon the recommendations of their own legal counsel, that they have read this Settlement Agreement and have had the opportunity to consider its terms and effects, and that they have executed this Settlement Agreement voluntarily and with full understanding of its terms and effects. This Settlement Agreement is the product of negotiations between the Parties. No Party shall be charged with having promulgated this Settlement Agreement, and the general rule that ambiguities are to be construed against the drafter shall not apply to this Agreement.

12. No Third Party Rights. This Settlement Agreement is entered into solely for the benefit of the Liquidator, Home, and Claimant and is not intended to, and does not give or create any rights to or in any person or entity other than the Parties.

13. Counterparts. This Settlement Agreement may be executed in multiple counterparts, each of which, when so delivered, shall be an original, but such counterparts shall together constitute one and the same instrument. The Parties agree that a signature sent by facsimile or electronic mail to the other Party shall have the same force and effect as an original signature.

14. Power and Authority to Execute. Subject to the approval of the Liquidation Court required by paragraph 1, each Party hereto represents and warrants that it has the full power and authority to execute, deliver, and perform this Settlement Agreement; that all requisite and necessary approvals have been obtained to consummate the transactions contemplated by this Settlement Agreement; that there are no other agreements or transactions to which it is a party that would render this Settlement Agreement or any part thereof, void, voidable or unenforceable; that each individual signing on behalf of a Party has been duly authorized by that Party to execute

this Settlement Agreement on its behalf; and that no claims being released under the terms of this Settlement Agreement have been assigned, sold, or otherwise transferred to any other entity.

15. Successor-in-Interest Bound. This Settlement Agreement shall be binding upon, and shall inure to the benefit of the Parties and their respective officers, directors, employees, agents, attorneys, liquidators, receivers, administrators, successors, and assigns.
