DISPUTED CLAIMS DOCKET

Proof of Claim Number: CLMN380502-01

Claimant Name: Mariana Lanc

**ORDER ON CLAIMANT'S MOTION TO REQUEST TIME EXTENSION AS TO  
STRUCTURING CONFERENCE ORDER DATED AUGUST 4, 2010**

A telephonic structuring conference was held in this matter on August 4, 2010. As a result of that conference, the Referee issued an order indicating that the Liquidator was to file written materials addressing the issue of whether Ms. Lanc's claim is barred by res judicata on or before September 10, 2010. Mr. Lanc was to file a brief addressing these issues on or before October 11, 2010. The Referee also ordered that if Ms. Lanc believed discovery was necessary, she had until September 20, 2010 to file a motion including a list of the documents which she seeks by September 20, 2010. Should either party have wanted oral argument, a motion for such argument was to be filed by October 11, 2010.

Ms. Lanc now apparently seeks to extend all deadlines in the order by 60 days. The Liquidator proposes the deadlines be extended for 30 days.

Ms. Lanc has repeatedly requested additional time to provide information to the Liquidator. These requests have been granted and the claims process this extended by many months. The Referee recognizes Ms. Lanc is proceeding without representation. However, she is responsible for following the protocols related to the claims process.

The Referee will extend the dates from the original order for 60 days as requested by Ms. Lanc. However, the Referee expects the parties will adhere to the new deadlines and does not anticipate any further extensions will be granted. The new deadlines are:

November 19, 2010 – the date by which Ms. Lanc must file a motion for discovery, including a list of any documents she seeks from the Liquidator;  
December 10, 2010 – date by which Ms. Lanc is to file any brief addressing issue of whether her claim is barred by res judicata;  
December 10, 2010 – date by which either party may file a motion requesting oral argument.

So ordered.
