**Referee's Ruling on Stipulation and Order Governing
Confidentiality of Documents and Information**

The parties have filed a Stipulation and Order Governing Agreed Confidentiality of Documents and Information. The Stipulation outlines the procedures the parties have agreed to follow in the exchange of information on the Proof of Claim filed by Bridgestone Americas Tire Operations, LLC.

The Referee has reviewed the Stipulation within the context that all disputed claim files and hearings on disputed claims should be fully accessible to the public. While validly raised commercial interests may require protection, a protective order should be narrowly drawn so as to avoid unnecessary limitation upon public access. The Stipulation meets this requirement.

The proposed Order Governing Confidentiality of Documents and Information is APPROVED.

Date: December 17, 2015
