**REFEREE'S RULING ON LIQUIDATOR'S AND CLAIMANTS' JOINT MOTION TO DISMISS  
DISPUTED CLAIM PROCEEDING**

The Liquidator and Western Asbestos Settlement Trust have filed a joint motion to dismiss this disputed proceeding. In support of that motion the parties indicate they have reached a settlement which was subject to the approval of the Court in the Home liquidation proceeding. On May 2, 2011, the Court issued an order granting the Liquidator's Motion for Approval of Settlement Agreement with Western Asbestos Settlement Trust and approving the settlement agreement. The Settlement Agreement includes a provision that this disputed claim is to be dismissed with prejudice following approval of the Settlement Agreement by the Court.

Given the existence of a Settlement Agreement, and approval of that Settlement Agreement by the Court, the Referee grants the motion and orders that his disputed claim be dismissed with prejudice.

**So ordered.**
