Re: In Re The
Liquidation of the
Home Insurance Company
2005-HICIL-15

Dear Referee Rogers,

I am writing this letter as a follow-up to the conference held before you on April 14, 2006 pertaining to this matter. At that conference you inquired if I anticipated any problem in complying with the thirty day deadline to submit my written submission. At the time I thought that I might be able to comply, however, after the conference I spoke briefly with Mr. Kober, who indicated that the thirty day period was inclusive of mailing time and that the papers were to arrive at his office as well as in New Hampshire within the thirty days. Then, I reviewed Section 15 of the Restated and Revised Order Establishing Procedures Regarding Claims Filed With the Home Insurance Company in Liquidation and believe that as a non-attorney pro se claimant, I may very well need need more time to prepare the submission as per the requirements of the rule.

Accordingly, I would ask for sixty days to submit the requisite papers or that your Structuring Conference Order indicate that you would entertain a motion from me for an extension of time to submit my written submission. I apologize for any inconvenience to you that this letter may have caused.

Respectfully,

Madelyn Miller,
Claimant
