Subject Proof of Claim No. INTL 460021

**EXHIBIT**            **L**

Vivienne,

I am following to your e-mail and attached letter dated January 17, 2006 sent to the Home Liquidation Clerk requesting a status on the above captioned Proof of Claim. I have in the past been corresponding with Steve Bautovich of QBE Re on this matter. We have advised him that we have no record of Home binding the risk rather it appears that it was bound by Tyrgg Hansa Spp. I sent Steve on August 23rd 2004 a Home internal memorandum from our file illustrating that the premium was sent to Tyrgg Hansa Spp. Steve then was to contact Tyrgg Hansa Spp to discuss the issue with them. I have not since heard back from Steve confirming or rejecting our observation.

Please contact me if I can if you have any further questions and I would appreciate it if you would confirm our findings.

Regards,

George
